

Covid-19 Update

19.06.2020

Dear Member / User,

Following the government directive to close all gyms and leisure sites to help stop the transmission of COVID-19 in March, We have been tirelessly working on different scenarios to reopen when we are advised it's safe to do so.

Currently there is no solid government directive on when reopening will be, however it has been mentioned in recent government announcements that the leisure sector as a whole may reopen during July 2020.

We apologise we cannot give any clear dates on when we will be open for use, but as you can no doubt appreciate the safety and health of all staff and users is paramount.

It is likely that the usage of our facilities may be a little different to conform with social distancing measures and to allow us to run an uplifted cleaning schedule. Classes may be restricted to limited numbers and operating times may differ. If this is the case, it will hopefully only be temporary and we will resume normal service when we are allowed.

When we know more we will update across our social media pages, website and directly to you via email.

We personally cannot wait to get back to supporting your fitness and activities and look forward to welcoming you back when we get the green light.

Thank you for your support and patience during this difficult time.

Keep safe and well – we can't wait to welcome you back once it's safe to re-open!

For those members paying by standing order, and not direct debit, please get in touch with us at scenquiries@wellswaymat.com

Kind Regards and Best Wishes

Dave Cook
