

## **Covid-19 Update**

**23.03.2020**

Dear Member,

Following the government directive to close all gyms to help stop the transmission of COVID-19, SBL Sports Centre & WellsWay Sports Centre, will be closed until further notice.

### **What will happen to your membership?**

Please be reassured that you won't pay for your membership while we are closed. **Your membership has been frozen and you do not have to do anything.**

Your payment will be stopped immediately there may be a delay for some members whilst your bank stops your Direct Debit collection.

The value of the remainder of your payment for March will be deducted from the first payment taken once our closure ends.

Thank you for your support and patience during this difficult time.

Keep safe and well – we can't wait to welcome you back once it's safe to re-open!

For those members paying by standing order, and not direct debit, please get in touch with us at [scenquiries@wellswaymat.com](mailto:scenquiries@wellswaymat.com)

Kind Regards and Best Wishes
